The Home Accountant™

Commodore 64 version

The Home Accountant *comes with an easy-to-use, tutorial-style user's guide which takes you through the program step by step and does not assume you must be an expert in computer technology.*

- *Maintains up to 100 budget categories*
- *Keeps track of up to five checkbooks*
- *Prints checks, if desired*
- *Prints a personal balance statement, income and expense summary.*
- *Prints net worth statement*
- *Allows automatic transactions*
- *Provides fast bank reconciliation*
- *Allows file extensions on multiple diskettes*
- *One program handles cash, checkbooks, credit cards and other liabilities and expenses*
- *Unlimited annual transactions, fiscal or calendar year*
- *Custom search and retrieval of transaction information*
- *Allows up to 1,000 transactions per diskette*
- *Transactions may be "split" among different budget categories*
- *Flags transactions for tax purposes*
- *Maintains transaction history*
- *Provides Hi-Res color graphics for any category by bar graph, line graph, or trend analysis*
- *You can transfer your records to* **The Tax Advantage**™ *at tax time. This will make your tax preparation even faster.*

*"The program itself does just about everything you'd ask of a personal finance package." —***Popular Computing,** *November, 1982*

*"It is an accessible, easy-to-learn system that, even on first use, will give anyone a real sense that they are gaining additional knowledge and control of their financial situation." —***Personal Software,** *November, 1983*
